

## **Instructions to write Electronic Devices Journal**

1. Experiment no.
2. Title of the experiment
3. Date of the experiment
4. The order follows as :

### **On the Ruled side**

- i. Aim
- ii. Apparatus
- iii. Theory
- iv. Procedure
- v. Results
- vi. Conclusion

### **On the Blank side ( with Pencil only )**

- i. Circuit Diagrams
- ii. Design Calculations
- iii. Observation Table

Write the complete journal on one side ruled sheets only.

**Note : Do not write anything on the blank side after the conclusion of the experiment.**
